Sanitary Vending Machines

Smart pad access for schools, colleges and workplaces

- Coin, token and smart dispense options for varied site requirements.
- Wall-mounted and floor-standing variants for compact and high-footfall washrooms.
- Best suited for campuses, offices, hostels and institutional facilities.

Specs & Pricing Guide

Model Type	Capacity / Format	Best Fit	Pricing Mode
Compact Wall Unit	30-40 pads/day	Schools, small offices	Project quote
Standard Smart Unit	50-80 pads/day	Colleges, hostels	Site-based quote
High Footfall Unit	80+ pads/day	Factories, public sites	Custom enterprise quote

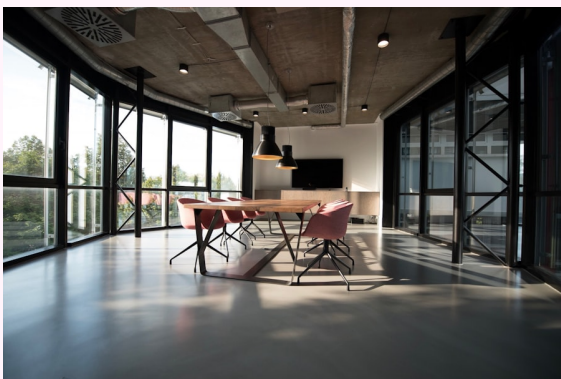

Incinerator & Period Kits

Safe disposal plus emergency care readiness

- Odor-controlled disposal workflow with guided safety use cases.
- Period care kits support infirmaries, wellness rooms and first-aid desks.
- Useful for campuses, industrial facilities and women-centric support spaces.

Specs & Pricing Guide

Category	Spec / Format	Use Case	Pricing Mode
Compact Incinerator	Wall-ready thermal unit	Small washrooms	Project quote
Mid-Capacity Incinerator	Higher disposal cycle	Colleges, offices	Custom quote
Period Care Kit	Emergency essentials pack	Health rooms, desks	Bulk quote

Women Wellness Medicine

Planned category onboarding for institutions

- Policy-aligned category planning for admin and HR teams.
- Procurement-ready workflow guidance for phased rollout.
- Suitable for managed institutions requiring structured wellness access.

Specs & Pricing Guide

Planning Area	Specification	Audience	Pricing Mode
Category Mapping	Use-case and demand planning	Admin / HR teams	Consultation-based
Stocking Workflow	Procurement and replenishment design	Multi-site teams	Custom quote
Rollout Advisory	Phase-wise category onboarding	Institutions	Advisory quote

Beauty & Cosmetics Essentials

Everyday care categories for women-centric environments

- Essentials-focused daily care category planning for campuses and workplaces.
- Aligned with location demand, user profile and phased deployment goals.
- Designed to sit alongside existing hygiene infrastructure and service support.

Specs & Pricing Guide

Category Block	Format	Suggested Environment	Pricing Mode
Daily Essentials	Fast-moving essentials mix	Hostels, campuses	Bulk quote
Workplace Care Range	Curated user-demand set	Offices, wellness rooms	Custom quote
Public Facility Mix	Operationally managed category	High-footfall institutions	Project quote
